A Message from Mrs. Rowell and Mrs. Macnab

After a balmy December, I suppose we should have almost anticipated our January weather, but I believe that few of us really expected our first month back to be this cold and blowy. Thank you to the Earl Kitchener community who donated a portion of their annual Fright Night celebration fundraiser to the Bennetto School French Immersion program to purchase supporting materials as our new program grows! It was much appreciated. Our Parent Council has been approached to donate pots of soup to support a school/community initiative being planned for March. Bennetto will be hosting an after school information night for parents to come out and mingle, and find out information regarding before and after school care that is available, as well as extra-curricular activities and lessons available to our students within our community. If you are interested in donating a pot of soup to support our event, please contact the school!

Book Fair

The scholastic book fair is coming to Bennetto school on Tuesday February 26th and Wednesday February 27th. The bookfair will be open to students during the school day. Parents and families can visit on Tuesday evening. More information will be sent home closer to the book fair. There will be both English and French books available.

Bennetto is selling TCBY frozen yogurt every Wednesday morning at 1st Nutrition Break for \$2
