

Dear Billy Green Parent,

Last year was our first annual Winter Market at Billy Green and it was a great success. During a school council meeting at the end of the 2017/2018 year we were informed that the gym renovation would be starting in the Fall of 2018 and we would likely not have use of the gym to run our Winter Market for the 2018/2019 school year. Around this time, Kingsview Community Church approached us with the offer to have ALL the proceeds from their Christmas Market be donated to the school. Of course we said yes! The gym renovations will now start in Spring 2019 and the plan will be to continue running the Billy Green Winter Market once the gym renovations are completed. Until then we are grateful for the generosity of those in our community.

We hope you come to the Kingsview Christmas Market to support our school! There are some amazing, unique vendors this year and it will be fun for the whole family.
