

Be respectful when connected.

# THINK FIRST

## Identity...

- I keep my passwords private
- I keep my name, phone number and address private
- I am kind online

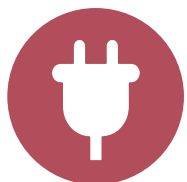

## Purpose...

- I use digital tools to learn and show what I know
- I don't get distracted by technology
- I follow teacher instructions

## Respect...

- I don't copy others' work
- I ask permission before taking photos of others
- I stand up to cyberbullying

## Organization...

- I help keep devices charged
- I keep the cover on when I'm not using it
- I treat the device with respect
