Dear Families,

I would like to take this opportunity to let you know about some construction work that will begin shortly at Billy Green.

I have received an update from our Facilities Management Department, and I'm pleased to let you know that our gym construction work is scheduled to start Monday, May 6 and continue through the summer/fall.

This phase of the construction project includes:

- A redesigned and expanded gymnasium, complete with new gym equipment
- New stage within gymnasium

We will be seeing many workers and equipment on site throughout the spring. Because work will continue while students are in school, I would like to reassure you that student and staff safety will be our focus. All equipment will be contained in a fenced off area that students will not be able to access.

There will be some impact to our parking lot as 3 spaces near the entrance will be blocked off for construction site access.

Additionally, for the duration of the project, students who walk to and from school from Amberwood St., across the back field and between the school and the portables will instead need to walk between the school and St. Paul School as the fencing will be between the portables and the school.

I would like to thank you in advance for your patience and cooperation as we begin our work.

This is an exciting time at Billy Green and we're looking forward to the updates at our school. We will continue to keep you informed at www.hwdsb.on.ca/billygreen. If you have any questions, please do not hesitate to contact me at 905-573-3505.

Sincerely,

Meagan Wilson
Principal
