

KAHOOT TIP SHEET

- You will need 2 devices to play!
- **First device-** to log into the MS Teams meeting (<http://bit.ly/FamilyGameNightMay2021>), this is where you will see the Kahoot trivia questions and communicate with hosts
- log into MS teams using either your own account or your students account
- **Second device-** to join Kahoot and answer questions on the Kahoot game
- log into Kahoot two ways: at www.kahoot.it or by downloading the Kahoot app on your home device.
- Create a team name- please use a family name and grade **example Smith7** (this is so that we can track down winners to provide the prizes)
- Hosts will connect with winners regarding prizes following the Kahoot and arrange to get them to you.

HAVE A GREAT TIME!
