

# THANK YOU

January 5, 2024

Billy Green School  
1105 Paramount Dr. N

Dear Staff of Billy Green School:

This donation means so much to our neighbours experiencing hunger. With more households relying on food banks than ever before, this couldn't have come at a better time.

You are bringing peace of mind to our community, knowing they can start this new year off with access to nutritious food for their families.

This gift will bring relief to parents, security to seniors, and comfort to children. Everyone deserves the opportunity for a fresh start at this time of year.

Your donation of 905 lbs of food will assist our member agencies supporting over 17,500 individuals each month, over one-third of whom are children.

Thank you for providing our families, children and seniors with hope.

May your new year be filled with health and happiness.

Sincerely,
