

EXTRAORDINARY LABORATORY

WEDNESDAY FROM 10:20AM-11:00AM

HELD AT BILLY GREEN ELEMENTARY SCHOOL FOR EIGHT WEEKS

FEBRUARY 5TH – APRIL 2ND

(SKIPPING MARCH BREAK)

"I think what you offer is amazing. We've signed up for a lot of your programs and the kids are never bored. Always excited about Mad Science day. But the best will always be watching them talk and play science. What a gift to be able to ignite science in little minds. Thank you for all that you do."

- H.D., November 2023

REGISTER BEFORE JANUARY 28TH, 2025 AND RECEIVE \$20.00 OFF

Registration Information

Policies: By registering your child, you acknowledge that you have read and agree to the policies found on our website.

Reminder: Announcements will be made at the beginning of each class to remind all registered children to attend the Mad Science program. We suggest to write a reminder in your child's daily planner to let their classroom teacher know your child is registered.

Program Cost: \$155 until January 28th. **Save \$20 by Registering Early!** \$175 after January 28th.

Payment: All Major Credit Cards & Visa Debit are accepted. Please call the Mad Sci office if you prefer a different method of payment.

Questions: Please direct all questions to the Mad Science office rather than your school office.

Behaviour Expectations: We are committed to offering a quality program for every child registered in Mad Science. Your child should be able to interact safely and appropriately with the Presenter, the other children in the class, and the equipment in both group and individual activities. While we make every effort to assist each child in having a great experience, children who display behaviour not within these guidelines may be withdrawn.

Program Details: This fun, safe and interactive course is suitable for Grade 1-6 students. Your children will be working with our professional, trained Presenters. Each class is filled with dynamic demonstrations, tons of hands-on activities and weekly take-homes! If the program is happening during lunch or nutrition break, your child will eat during the first part of class.
