FRIDAY OCTOBER 31

October 31 is quickly approaching. Being mindful that Halloween may not be celebrated and/or align with some of our beliefs. We encourage students to dress in orange and black, Fall colours or costumes (**NO face masks or paint, props (swords, knives, axes, guns etc.)**). We want this to be inclusive for all students.

We will be maintaining the tradition of the parade starting at 9 am. Our hope is the parade starts promptly and we are resuming regular instruction by 9:30 am. Parents, guardians, and family members will be welcome to attend in person and line the perimeter of the playground on the grass. **We ask that no photos be taken for the safety of all students.** Photos may be taken of your own child(ren) only. Classroom celebrations will be in the afternoon. Students who are comfortable taking part in the Halloween celebrations need to come to school in full costume with any makeup etc. already applied and students need to stay in costume for the duration of the day including outdoor play during nutrition breaks.

We want to ensure proper hygiene and safety with class snacks. Please ensure ALL TREATS that come into the school for the class party are pre-packaged, do not contain any nuts or may contain nuts

warning. We are discouraging the large snack items, anything that is homemade or prepared (because of allergies) and/or involve students sharing and passing around due to Covid, colds and flu season.

Please contact Ms. Bonnie at bshapard@hwdsb.on.ca or buchananpark@hwdsb.on.ca and your idea, concern and/or accolade will be sent to the appropriate staff person.

PEDICULOSIS/HEAD LICE

If you discover head lice or nits, it is important to apply treatment and remove nits to prevent spreading to others. Public Health does not require reporting of a head lice infestation. However, if you do find that your child has head lice, please inform the school. You can also consult with a health professional to find the treatment most suitable. Treatment products will kill the lice, but not all of the nits, therefore nits must be removed by hand.

Please also note that treatment for head lice is covered by OHIP+ for children and youth under 25. To obtain covered products visit your family doctor or walk-in clinic for a prescription.

Additional information can be obtained from the Caring for Kids website at <https://caringforkids.cps.ca/handouts/healthconditions-and-treatments/head>
