September 3, 2020

Dear families,

We are excited about welcoming back students – in person and through remote learning – to the 2020-21 school year. The pandemic has brought many changes to our school and its families, but I know that we can rise to the occasion if we work together.

Thank you for keeping up with the communications coming from HWDSB, and for completing important forms and surveys as required.

We are taking many actions to prevent COVID-19 at our school. You will notice that safety is guiding our programming choices. Here are some of the important points to remember:

## **Attestation**

Before a student can enter a school, we require that their family completes an attestation that they have read, understood, and will abide by expectations. Find this on the [Parent Portal](#). ([Backup location](#) for forms and translations.)

## **Daily COVID-19 Screening**

HWDSB COVID-19 Student Screening Checklist is to be completed daily before arriving at school. The checklist is found on the Parent Portal as well as on the [HWDSB website](#). If you answered YES to any of the screening questions, or if you refuse to answer the questions, the student has failed the screening and must not attend school. The family should contact Public Health (905) 974-9848 or their family doctor for testing. Please contact the school using [SafeArrival](#) to report the absence. If the student is tested for COVID-19, your school would appreciate knowing the outcome of that test.

## **Staggered start details**

As you know, we will be opening our school with a staggered start timeline. This means that not all students will begin on the same day. Please see the chart below, note which group your child falls into, and reach out if you have more questions:

## New routines and protocols

School operations are changing significantly to ensure that we can provide a safe learning environment for students. We have finished school-specific protocols and these have been posted this to our website. These will cover everything from parking lots, classroom set up, nutrition breaks, mandatory masks for students and more.

## Water Bottles

Drinking fountains in all schools will be bagged and not used. Please be sure to send your child with a filled reusable water bottle so they stay hydrated, in addition to their non-medical mask. We will have 2 hydrations stations in the school for students to fill their bottles if needed.

## Visiting Schools

This year, our school must significantly limit or even prohibit visitors to school, including parents, to support a safe and healthy learning environment. We ask families to call (905-522-9965) or email [cathywever@hwdsb.on.ca](mailto:cathywever@hwdsb.on.ca) our school if they need to supply information or contact a staff member. Also, it is strongly recommended that parents do not drop off items during the school day. Accessing phones by students will not be allowed.

## Junior Kindergarten Orientation

We will be holding a virtual Kindergarten Orientation through MS-Teams on Thursday, September 10, 2020. If you have a child starting in Kindergarten this year, your child's educator will be contacting you to set up this invite and share when your child can visit on Friday, September 11, 2020. If you have any questions, please contact the school office.

## Elementary reorganization

Cathy Wever will be reorganizing the number of classes and therefore who your child's teacher will be. We are in the process of completing this reorganization. During the week of September 8 -11<sup>th</sup> your child's teachers will be contacting you.

I will continue to send updates as we receive added information. Thank you for understanding the challenges of planning the new school year, and for sharing our commitment to safe and successful school year.

Learn more about COVID-19 precautions at HWDSB at [www.hwdsb.on.ca/covid19](http://www.hwdsb.on.ca/covid19).  
If you have any questions, or think your child might struggle with school, please let me know.

Sincerely,

S. Johnston  
Principal
