Your Transcripts

Your transcripts are a record of your grades and help the colleges determine your eligibility for admission to college. If you have attended a secondary postsecondary institution, you are required to provide this information in your application. If you don't see the institution you wish to request your tra from here, please return to My Profile and make sure that institution is listed under Declared Education.

If your high school transcript is already posted in the Supporting Documents (Docs) section of your account and no updates are required not need to create a new transcript request. The transcript on file will be sent to the college(s) when your application is submitted. If you applied i and requested post-secondary transcript(s), you will still need to create new transcript requests for the institutions you've attended as post-secondary aren't kept on file and need to be requested each time you apply.

When requesting postsecondary transcripts, you will have the option of sending the transcripts now or at the end of the term. If you are currently atte Ontario public college or university, please check if the college(s) you are applying to require you to send your transcript now, at end of term*, or both. have recently graduated from an Ontario public college or university, please wait until your final marks and credential information have been posted b ordering your transcript. More information on transcript requests can be found on the Transcripts page of our website.

*Ordering an End of Term transcript does not guarantee credential information (Academic Award) will be included on your transcript. Please contact y or University to determine when the credential information will be available before ordering your transcript. You will need to request a transcript and . "Send Transcript Now" at that time.
