Hello Stingers and Cecil B. Stirling Families.

I'm hoping all of our Stingers, from our littlest Kindergarteners to our big Grade 8s are safe and healthy during this strange and challenging time. From classroom to classroom, I love hearing about the unique and new ways students are connecting and learning with their teachers. From online reading logs to video math lessons there are so many neat examples of how our teachers and students have adapted to this situation. I'm proud of the learning students and teachers are doing!

I want to encourage all students to stay positive and continue engaging in the learning their teachers are providing via their online classrooms. It's so important for students to connect with their teacher and peers daily so that their learning momentum doesn't slow down but also for their emotional well-being.

If you or your student is having difficulty using the online learning tools or have other questions about Cecil B. Stirling, please connect with via a phone call me or email ([dschroed@hwdsb.on.ca](mailto:dschroed@hwdsb.on.ca)).

Thank you and Stay Safe.

Sincerely,

Mr. Schroeder
