Hello CB Stirling Stingers Families

Need new shoes or winter boots for your family.... **Why not go to Factory Shoe**

How does this fundraiser work.... The card is presented during any footwear purchase in any of Factory Shoe four stores, (London Centre, Mississauga Centre, Kitchener Centre, and Hamilton Centre) each pair of footwear valued at \$35 pretax will count towards your fundraiser. For example a Family of four arrive in store, 1-card present, they buy four pairs of \$35.00+ footwear they've now raised a quick \$20 for our school. It's that easy....

Oops you forgot your card at home...don't worry... just tell them at the store that you are supporting C.B. Stirling's fundraiser and they will happily add your purchase to our fundraiser goals... which also means you can tell all your friends and family about it as well.. NO card required they are just cute to show.

If you prefer to do your shopping on line Factory Shoe has added the functionality to their website for our fundraising supporters to make purchases online at www.factoryshoe.ca and count towards your fundraising goals. Below is a screenshot of the checkout page where your followers can enter the barcode/sku found on the back of their cards. [Factory Shoe | Buy Shoes Online Canada](#)

Actual cards will be sent home with every student next week...

Thank you for your support
