

10th Anniversary 

# Walk & Roll to School Day

Bike, walk, or roll to school and enjoy the outdoors

**October 6, 2022**  
**February 1, 2023**  
**April 26, 2023**

**HWDSB**

On Thursday, October 6, Central will be participating in the City of Hamilton's Walk & Roll to School Day!

Ride your bike, scooter, skateboard, wheelie shoes, wheelchair, or roller skates to school in the morning and leave the car at home. Walking is also encouraged! Central has a regular crossing guard at the corner of Bay and Bold who can help your child cross those streets safely, and we encourage everyone to remind their child of safety skills such as staying on the sidewalk or bike lane and watching for cars on or entering the roadways.

Each class will keep track of which students walk or ride to school on Thursday, and the class with the most students who participate will be congratulated on the announcements!
