

Dear Parent(s)/Guardian(s),

This is an **important notice** regarding bringing food items containing **nuts or nut products** into the classroom/school where a student has a severe, life threatening, **nut allergy**.

**Allergic reactions may occur when:**

- **eating nut products**
- **nut oils contact the skin (from desk tops and other classroom objects)**
- **nut oils become airborne**

If your child consumes any nut products at home, please have your child wash his/her hands and face thoroughly, and rinse his/her mouth before coming to school.

Please **check** all food items brought to class/school for ingredients such as nuts, nut oils, or nut by products.

Please **avoid** foods that have “**MAY CONTAIN NUT PRODUCTS**” on the label.

There are several **nut free alternatives** available.

Thank you for your cooperation in making our school a safe environment for all students.

Yours truly,

Principal
