## From the principal's desk:

Dear Central Families,

February is always a busy and exciting month at our school, and this year is no exception! We have a number of wonderful events and learning opportunities planned for our students that highlight the spirit of community, kindness, and wellness that we value so deeply.

Throughout the month, students will be participating in several special events, including Walk and Roll to School, Pump Your Heart Day, and Pink Shirt Day. Each of these events provides a chance for students to engage in fun, meaningful activities that promote health, inclusion, and empathy. We encourage you to ask your child about what they are learning and experiencing during these days—it's a great way to connect and celebrate their involvement in our school community.

As a school, we continue to bring to life the four values of the HWDSB Strategic Plan by focusing on JOY and compassion in all that we do. Whether it's through classroom learning, school-wide initiatives, or daily interactions, we are committed to creating a positive and supportive environment where every student feels valued and inspired to grow.

A gentle reminder about student safety: if you are visiting the school or using our new fenced area gates, please ensure that the gates are closed securely behind you. This small action helps us maintain a safe environment for all students throughout the day.

Our School Council has also been busy planning some exciting upcoming fundraising events. These initiatives help support school programs and activities that directly benefit our students. Please continue to check your emails, our school website, and other communication channels for updates on these events and other important school news.

Finally, if you have any concerns or questions regarding your child, we encourage you to reach out to your child's teacher first. They are your best point of contact and can provide valuable insight and support. Our entire team is always here to work together with families to ensure every student's success and well-being.

Thank you for your continued partnership and support. February is a month filled with learning, kindness, and connection, and we look forward to sharing it with all of you.

Warm regards,

**Mrs. Nelson and Mrs. McQueen**

**Principal(s), Central School**

## **Student Safety Reminders For PARENTS / VISITORS**

To help us maintain a safe environment for all students and staff, we ask families to follow these important procedures:

- If your child arrives late, they must not go directly to their portable or to the kindergarten playground. Instead, they need to be signed in at the main office or with Ms. Kelly at the main door.
- If you are visiting the school for any reason, please go to the main door and use the buzzer for assistance.
- Even if a door is open, please do not enter the building without buzzing at the office first, as this can cause alarm for staff and students who are unaware of who is entering.
- Families must not go directly to a portable and knock on the door without office staff being informed of your presence on the school grounds.
- Parents must not approach students if students are outside during NB unless office is aware of you being on school property.
- Thank you for your cooperation in helping us keep our school safe and secure.

## PEANUT AND NUT SAFE SCHOOL

This year we have students with life threatening allergies to peanuts or nuts.

Please do not send your child with any nut products for lunch or snacks.

Working together we can help ensure the safety of all our children.

## Birthdays/Celebrations

Due to allergies we will not be permitting food to be brought in for celebrations.

Students may choose to bring in something for themselves or you can bring non-perishable items for the class.

## ADDRESSING A CONCERN

Students and families with classroom concerns are encouraged to contact their student's classroom teacher as the first method of communication regarding the concern. It is with hope that this will rectify the situation before further escalation.

If you have larger concerns regarding the school or neighbourhood you can also reach out to the superintendent: **Nicole Lee** or Trustee: **Sabreina Dahab**

## Early Pick-Up

It is important that your child remains at school until the final bell at 3:05 p.m. Please keep in mind, as a courtesy to teachers, the learning of students, and the office, which can be a very busy place, that early dismissals do cause interruptions to class. If you need to pick up your child from school early, due to an appointment, we remind you to please allow some extra time for your child to arrive at the office. Students will be called down once you are here and it can take a few minutes for your child(ren) to gather their things and get to the office area.

Safety is our number one priority! At Central we have many safety procedures in place to ensure your child(ren)'s safety. Attendance is taken twice a day, once in the morning and again after second break. It is a crucial that this is completed in a timely, accurate fashion. To ensure accuracy and safety, absences must be reported to the School Messenger App before school. These reported absences ensure that all students are accounted for and safe. [SchoolMessenger | Hamilton-Wentworth District School Board \(hwdsb.on.ca\)](https://www.hwdsb.on.ca) \* should you have any issues with the app, please call the school at: 289.522.9690 to report an absence.

## SafeArrival

### *what elementary school families need to know*

With **SafeArrival**, families report a student absence in one of three ways:

1. Use the SafeArrival website, [go.schoolmessenger.ca](http://go.schoolmessenger.ca). The first time you use the website, select **Sign Up** to create your account. Select **Attendance** then **Report an Absence**.
2. Using your mobile device, download and install the **SchoolMessenger app** from the Apple App Store or Google Play Store (or from links at [go.schoolmessenger.ca](http://go.schoolmessenger.ca)). The first time you use the app, select **Sign Up** to create your account. Select **Attendance** then **Report an Absence**.
3. Call toll-free 1-844-506-4350 to report an absence using the automated phone system. Using this method does not require setting up an account.

These options are available 24 hours/day, seven days a week. You can report a future absence any time.

### What's unique for families of elementary school students?

**Notice** – Elementary school families will be notified by the automated notification system when their child is absent without an explanation.

**Explain** – The system will attempt to contact families multiple times until parents confirm and explain the absence. If a designated contact can't be reached, school staff will follow up.

**Report** – As always, parents are expected to report absences as soon as possible – and then you will not receive notification about unexplained absences.

**Questions** – If you have questions, please speak with your school office or principal. Find more resources on SafeArrival at [bit.ly/safearrivalHWDSB](http://bit.ly/safearrivalHWDSB) and on your school's website.

For safety and efficiency reasons, HWDSB would like to reduce the amount of cash and checks received by our schools.
