Dear Chedoke Students and Families:

A chess club is starting at Chedoke this year. Chess club will take place during second nutrition break on every Day 2 in Room 219, supervised by Mrs. Rashid. The club is open to students of all ages and abilities who are interested in playing chess - no previous experience is necessary.

In addition, we will be having before school sessions from 7:30 to 8:15 on Wednesday mornings starting October 18th, 2017. These sessions are for students who are serious about chess and interested in learning more about chess strategy and training techniques to develop their game. The Wednesday morning sessions will be lead by student members of the Westmount Secondary School chess club which currently holds the Ontario High School team championship title. All students who are members of the chess club are welcome to attend; however the content will be more suitable for students who understand the rules of chess and have some experience.

Additional information about chess and the chess club at Chedoke will be posted on a new chess page of the Chedoke grade 8 website: grade8chedoke.weebly.com
