Dear Chedoke Community,

Welcome to the 2016/2017 school year at Chedoke School. We certainly hope that you have had a safe and restful summer with family and friends. We are excited about the school year that is about to unfold. The Chedoke School site is growing. This September, we continue to house the students who will be attending Tiffany Hills Elementary School within this school year. In addition, you will notice the signage at the front of the school. Chedoke School will also receive the renovations needed to open a daycare facility within the school, which will open in the 2017/2018 school year. It is an exciting time for our community.

Below are two important dates to place on your calendars:

Thursday, September 15, 2016 - 5:00 - 6:30 pm - Meet the Teacher

This event will take place in our classrooms where your child will share their learning environment with you. Mad Science will be on-site to promote an after-school program. In our Learning Commons, families can sign up for School Cash On-Line and begin the process if parents wish to become a volunteer at Chedoke School.

Thursday, September 22, 2016 - 6:00 pm - School Council Meeting in The Learning Commons

This is our first meeting of the school year where the Executive will be voted in. It will also be an opportunity to review the status of our Natural Outdoor Classroom Project at the front of Chedoke School.

Lastly, we would like to not only welcome you to another great school year ahead but to remind you of our bell times and the importance of having your child at school, on time, each and every day. Duty begins at 8:10 in the morning and Instructional Time for your child begins at 8:25 am sharp. Below you will see a list of the staff members and their positions at Chedoke School. We welcome a number of new faces to the building and acknowledge existing staff members as well. We are extremely proud of our team!

Your child is about to have a fun-filled year where memories will be made that will last a lifetime. Keep in mind that our office doors are always open. "It takes a village to raise a child" and we want to support each and everyone of our students and their families through the elementary experience.

School Cash Online is an easy to use and safe way to pay for your children's school fees. Now, with a few clicks, you can pay for your child's yearbook, class trips and so much more from your own home. All you have to do is register an account, attach your children and in no time you will be able to make payments online. School Cash Online is available at all HWDSB schools.

School Cash Online is an on-line payment service offered through the KEV Group. The KEV Group is Canadian owned and operates its head offices in the Province of Ontario. There are over 9,000 schools using KEV's solutions for managing school bookkeeping across North America.

The School Cash Online website is certified compliant with Payment Card Industry (PCI) Data Security Standards. School Cash Online does not share personal information with any third party. They do not store credit card information on their own web servers, computers or other devices. With the exception of funds loaded into MyWallet, your payment information must be entered every time you checkout.

The KEV Group uses Moneris as the payment processor. Moneris is Canada's largest payment processor, processing over 3 billion credit and debit transactions every year.

To participate in using this service, your child must obtain a one-time PIN code from the school for our secure registration process. If you require a PIN code, please contact the school office. Newly registered JK/SK students will receive their PIN codes a few weeks into the school year.
