Dear Chedoke Community,

As a result of unanticipated changes to student enrolment and in order to comply with provincial class size requirements, we have had to make some adjustments to our school classroom organizations. This is a process that occurs throughout the Hamilton-Wentworth District School Board at this time of year, and it is a result of a system review of our class sizes in accordance with Ministry legislation. This is a common occurrence that is taking place in many elementary schools throughout HWDSB.

We apologize in advance for any disruption this may cause and appreciate your understanding as we finalize class organizations for this school year. We have worked collaboratively with HWDSB staff to minimize disruption as much as possible for our students. As always, our team of dedicated professional educators will partner with you to ensure students are well cared for and experience educational success. Attached you will find an updated Staff List, including their assignment for the 2017/2018 school year.

Thanks again for your understanding as we work through this process.

Sincerely,

Priscilla Mochrie
Principal

Jo-Ann Corbin-Harper
Vice-Principal
