February 11, 2019

Dear Families,

This is a letter to let you know that we briefly evacuated our building this morning at 10:03 a.m.

During a brief power interruption, the alarm was pulled when staff and students noticed a burning odour coming from several vents.

Hamilton Fire Department responded to the alarm, cleared the building for re-entry and determined the power outage was the cause of the alarm. Students and staff were outside for about 10 minutes.

We made Nutrition Break 1 an indoor recess, so students could stay warm inside.

We are proud of our students for their behaviour during the incident.

Thank you for your understanding,

Priscilla Mochrie
Principal
