Dear Chedoke Community,

**See our Calendar on our Website for Upcoming
Events!**

Dear Chedoke Parents / Guardian,

On February 12th, your child will be bringing home their Term 1 Report Card. This is such an exciting mid-point in the school year, where you can identify your child's successes and accomplishments. It is also an appropriate time to reflect on next steps by setting attainable goals, together, for Term 2.

Some highlights regarding the Term 1 Report Cards (Grades 1-8):

- The Learning Skills have been written to your child and quite often include your child's voice. This is an important and personal section on the report card that needs to be reviewed and cherished. These are the skills that will support your child as they move through their education and onward.
- The Subject Areas are written in a factual manner, using parent friendly language. The pronoun 'they' as well as your child's name is used, keeping the report gender neutral to the reader. This is a very progressive and inclusive approach to report card writing.
- Report Cards are folded and not in envelopes, once again, as we make every effort to conserve paper and respect our environment.

If you have any questions, kindly reach out to the Educators and / or Administration to support you and your child.
