Dear Parents / Guardians,

Below is the organization of Chedoke School for the 2019/2020 school year.

The teachers collaboratively create classes for the best interests of not only your child, but all the students in the grade. Placement decisions represent our best efforts to support student success with consideration made to: classroom dynamics, specific grouping needs (academic, social), matching personalities, need to separate, gender balance, and support services availability.

Parents wishing to put in writing a request for September are asked to do so by May 31st. Requests will be considered, but will not determine the placement for your child in September.
