REAL MEN HAMILTON is a locally based non-profit group that partners with various organizations, to serve and support our city. Since realizing that a great many deserving students in Hamilton are without bicycles - something that many of us had as kids and never thought about what a blessing it is - REAL MEN has partnered with various schools to get some gently used bikes fixed back up to excellent working order, and given to a new child. On Thursday April 25th REAL MEN gave out 36 bikes to Chedoke kids, complete with a new helmet. Four additional children were given new helmets as well. And the group was on-site that afternoon to properly size and fit everything for each individual student.
