Dear Chedoke Community,

Dear Parents/Guardians:

Lates and Absences

We know there are times when students will be late or absent beyond their control: sickness, appointments, etc. However, it is important we continue to encourage students to be on time and in school as much as possible. Being late or absent not only interrupts your child's learning but the learning of others as well. We encourage everyone to sign up for SchoolMessenger at http://go.schoolmessenger.ca. It is our preferred way for you to communicate to us your child's absences and lates.

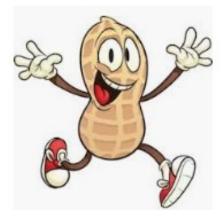

Lates:

We would like to encourage parents to sign their children in at the office when they arrive late. As parents are not allowed in the hallway for security reasons, a staff member will be happy to escort the child to class.

Payments to the School

Throughout the year there will be many opportunities for you to purchase items for your child. Collecting and counting cash is a time consuming process and sometimes children lose money given to them. We encourage all our families to sign up for School Cash OnLine at <u>https://hwdsb.schoolcashonline.com</u> It is an easy way for money to be transferred from your bank account to ours.

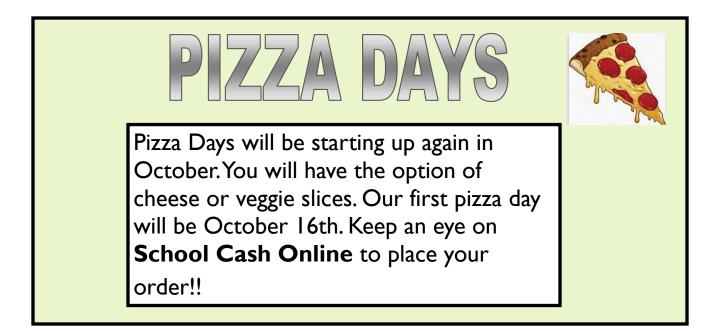

MEDICAL ALERTS

If your child has ASTHMA, EPILEPSY, DIABETES or is ANAPHYLACTIC....please notify our office immediately!!!!

If you are a parent/primary caregiver of a student in JK-Grade 2 and if your child is described as shy, withdrawn or worried, come and learn about the Cool Little Kids Program. Learn practical strategies that will help to build your child's confidence.

THIS IS A PROGRAM FOR PARENTS AND PRIMARY CAREGIVERS. CHILDREN DO NOT ATTEND.

This program is offered by the Hamilton-Wentworth District School Board Social Work Department.

With the help of a diligent and enthusiastic team of gardeners, the front garden has been tidied up again. Over 15 bags of yard waste have been taken to the waste disposal site. We will continue to keep it in shape into the fall with a once weekly maintenance schedule. Stay tuned for news in the spring when we will be splitting plants and looking for new plant donations.

The school Recycling Team is up and running with classroom pick up occurring Monday, Wednesday and Friday at second nutrition break. Our first group will do recycling for the months of September and October. Tips about proper ways to recycle will be coming to classrooms soon from our dedicated team of volunteers.

Ms. Sikora would like to thank both teams of volunteers for their hard work so far. Interested students from grades 6-8 should see her if they wish to help out on Eco Team this year.
