September 23rd, 2019

Dear Parents/Guardians:

Over the next few weeks students and staff will be practicing a number of secure schools protocols. These include lockdown, bomb threat, hold and secure, shelter in place, and fire drills. We will be doing this to insure everyone in the building is safe in the unlikely event that the school actually experiences one of these situations. We thought it important for you to know not only about when the protocols will be practiced but also to be assured that we take safety seriously.

To learn more about our safe schools protocols, you can read the attached pdf. If you have any questions, please do not hesitate to contact us at the office.

Sincerely,

M. A. Degner, Principal.

S. Milinovich, Vice-Principal
