## PROGRESS REPORT CARD AND PARENT TEACHER INTERVIEWS

On October 29th, your child is bringing home their Progress Report (Grades K-8). This Report captures your child's first few months of school and gives you a sense of how your child is performing academically and as a learner (Learning Skills).

November 7th and 8th has been set aside for interviews. Please contact your teacher for information regarding dates and times available.

At Chedoke School, we are committed to our students and our families. By formally bringing the home and school together, at one table, we feel that this will be a very positive experience for everyone concerned, ultimately recognizing and acknowledging that "Families are the first and most powerful teachers of their children." (What Works? edu.gov.on.ca)
