## French Immersion Application

HWDSB uses an application process for entry into French Immersion for children born in 2014.

A Grade 1 system-wide application process for entry to French Immersion allows for program placement of students, monitoring of accommodations, balance of enrolment, and long-term stability of the French Immersion program.

We guarantee an offer of placement in the program (not a specific school) to all applicants.

Please take note of the important dates:

Monday, December 2, 2019	Application process opens for Senior Kindergarten students
Monday, January 20, 2020	Deadline for applications
Friday, February 28, 2020	Program location offered to Parent/Guardian
Friday, March 13, 2020	Deadline for program acceptance

Please note: Families with an older sibling currently in French Immersion are still required to complete an online application for the new student.
