Dear Families,

Thank-you for all your support and feedback over the last couple of weeks. We really appreciate the work you are doing both at home and in our school area. In particular we want to thank you for

1. Adults wearing a mask while on school property
2. Picking up and dropping off your child at a predetermined area away from the school building
3. Making sure your child brings a litterless lunch and a labelled water bottle to school each day
4. Not dropping off items at the school throughout the day
5. Completing the daily screener
6. Picking up your child promptly when called and following the protocols laid out to us by Public Health and HWDSB
7. Contacting teachers to make sure they understand if your child has any seasonal allergies or a condition that may be mistaken for a sign of Covid-19
8. Calling the office ahead of time to arrange for an early dismissal or for a bus rider to walk home

We are attaching to this letter a decision guide that is the current procedure we are using when a student or staff member displays symptoms at school. Please become familiar with it.

Over the next couple of weeks, we shall continue to support our staff in working to teach students to follow the essential enhanced health and safety protocols at school:

1. Physical Distancing
2. Wear a mask inside the building
3. Wash your hands frequently
4. Remain with the class at all times

Please support these efforts by encouraging your children to share with you their learning and praising them for their hard work. We are so proud of all the hard that has been happening here.

Sincerely,

M. Degner  
Principal

S. Milinovich  
Vice-Principal
