## MARCH BREAK HAS BEEN RESCHEDULED

Please note that the Ontario Government has **CHANGED** the date of our **SPRING DATE** from March 15-19 to the

## NEW DATE of APRIL 15-19

## MARCH

ST. PATRICK'S DAY

Wear your green today and let's  
celebrate St. Patrick's Day  
together

## UPCOMING EVENTS

PA Day – March 5

Good Friday April 2

Easter Monday – April 5

Spring Break – April 12 – April 16

## NEXT TRANSITION DATE - MAY

A third and **FINAL** transition period is being planned for early May. Like the previous two transition periods, we will communicate with families ahead of this date so families of elementary students can decide about moving between in-person and the remote learning program.

## NEW PUBLIC HEALTH PROTOCOLS

Staff, students and children with **any new or worsening symptom** of COVID-19, as indicated in the school and child care screening tool, even those with only one symptom, must STAY HOME until:

- They receive a negative COVID-19 test result.
- They receive an alternative diagnosis by a health care professional, or
- It has been 10 days since their symptom onset and they are feeling better.

Previously, students with a minor symptom could return after 24 hours. This is no longer the case.

If you live with someone who has a new COVID-19 symptom, you must **isolate for 14-days pending the symptomatic person's COVID-19 test result.**

This applies to siblings of symptomatic students or children of symptomatic parents/guardians.

If you live with an international traveller who isn't exempt from quarantine requirements, you must isolate for 14-days.

For homes with more than one child, this means that all students in a household must stay home if a single student fails the screen; all siblings will be sent home from school if one child becomes ill.
