

# Some helpful tips for Grade 8 Grad Photos

1. Help your child pick out a white-collar shirt and tie if they wish! Small jewelry and accessories are fine but nothing too big or distracting. Make sure to check your flyer to see sample poses for your Gr8 Grad session.

2. Glasses are okay! Lifetouch photographers know all the tricks to reduce glare.

3. Any hairstyle works for Grade 8 Grad photos! Schedule haircuts a few weeks ahead of time to allow hair to grow back a little, or you can go for a fresh-cut look.

4. Keep kids relaxed and ready to be themselves. Smiles can look fake if they're practiced ahead of time. Remember, smiles are like french fries—they're better when they're fresh.

5. Don't worry about "perfect"! That hair that always sticks up or a missing tooth shows your child just as they are right now—and you'll enjoy looking back on that for years to come.

That's it! Our experienced photographers are pros at making a fun and worry-free Grade 8 Grad Picture Day.
