Grade 7 and 8 Nutrition Breaks

Grade 7 and 8 students are able to leave during one, or both nutrition breaks as long as they have parent / guardian permission. This permission is granted through the signing of a Nutrition Break Registration form that is available in the school office. Students leaving the school at break time are expected to sign out / in at the office when they are leaving from / returning to the school. The expectation for students leaving school property during the break is that they are representing the school community in appropriate ways. Failure to do so will result in removal of this privilege. If you have any questions or concerns regarding your Grade 7 or 8 student leaving school during these times, please notify the school ASAP at 905-388-5833

School Newsletter/Webpage Insert re: School Dental Program

Oral Health Screening

The dental team will be visiting the school to carry out the Ministry of Health (MOH) Oral Screening Program in grades JK, SK, and 2 on January 15, 2024.

To carry out the dental screening, a Registered Dental Hygienist will use a separate sterilized mirror to look in the mouth of each child. It takes about 30 seconds per child.

Please send a note to the school if:

- You have a child in other grades that you would like to be seen, or,
- If you want your child excluded from the dental screening

Your child will be sent home with a sealed brochure marked confidential with their dental screening results. Public Health Services offers dental programs and preventive services for children needing financial assistance. For more information please visit
