## COLLEGIATE FAMILIES...

Spring has arrived and all of our students are very excited and energized as we enter the next two months of school. Please continue to model the importance of education by setting aside time for your child to complete his/her homework. Take the time to look at your child's agenda and initial any notes or comments. Our home-school partnership is important as we work together to improve our students' academic achievements. We ask our students to put forth their very best effort every day!

## GRADE 3 and 6 EQAO

Annually, the Education Quality and Accountability Office (EQAO) assesses Grade Three and Six students in the areas of Reading, Writing, and Mathematics.

The purpose of the assessment is to ensure that our education system is preparing students for success. It is based on the Ontario Curriculum and a grading format is used to ensure that children are scored in a consistent, fair manner.

The information gathered in the assessments is provided to parents/caregivers and to the school. It is used to assist in school planning in the following year. For example, the EQAO data can help us, as a Staff, identify where our students excel and where additional support and instruction is needed.

This year, the assessment will occur between **May 9<sup>th</sup>- 13<sup>th</sup>**. If there are questions or concerns, please do not hesitate to call the school and speak to your child's teacher.

## KINDERGARTEN REGISTRATION

Kindergarten registration is now open. If you have a child who will be 4 or 5 years of age by December 31<sup>st</sup>, 2022.

Kindergarten **on-line registration** forms will be available on our school and board websites under Kindergarten Registration at [www.hwdsb.on.ca/kindergarten](http://www.hwdsb.on.ca/kindergarten), or contact the school at (905) 662-2990.

## SCHOOL SAFETY

Parents, just a reminder that the front of the school building has **No**

**Parking** and **No Stopping** signs. Several students cross at the crosswalk, and we are having parents/guardians stopping their cars, making and creating an unsafe environment for our students. This is a safety concern for our students.

*\*\*Vehicular traffic in  
School Bus Loading Zones  
is prohibited\*\**

Please take every possible opportunity to show appreciation and respect for the service that school bus drivers provide.

Thank you for keeping the safety of our students a priority.
