### RE-ORGANIZATION OF CLASSES

Each fall, HWDSB reviews elementary student enrolment in schools, and reorganizes staffing if actual enrolment differs from spring projections. It is normal for student enrolment to fluctuate a little.

This year, the fall reorganization is more widespread due to the in-person/remote option for students, as well as the ongoing need to meet provincial class size requirements. We will be moving several students to new classrooms based on enrolment numbers provided by the School Board.

Specifically, at our school, the reorganization will mean:

- Adding a DECE to Kinder A
- Closing a Grade 1/2 and 3A classroom
- Creating a 2/3, and 3/4 classroom

We apologize for any disruption this may cause and appreciate your understanding. As always, our team of dedicated educators will work with you to ensure your child is well cared for and experiences educational success. Re-Organization of classes will begin on Friday October 7<sup>th</sup>

### SCHOOL SAFETY

Parents, just a reminder that the front of the school building

has **No Parking** and **No Stopping** signs. Several students cross at the crosswalk, and we are having parents/guardians stopping their cars, making and creating an unsafe environment for our students. This is a safety concern for our students. **\*\*Vehicular traffic in School bus loading zones is prohibited.**

Please take every possible opportunity to show appreciation and respect for the service that school bus drivers provide.

Your support in this matter would be greatly appreciated. Thank you for keeping the safety of our students a priority.

## SECURE SCHOOLS

At Collegiate Elementary School, we will be practicing our "**Lockdown - Secure Schools Procedure**" **Tuesday October 18<sup>th</sup>**

A Lockdown is used when there is a potential risk of harm to people within, or outside the school setting. Although one can never predict when a violent or potentially harmful situation may arise, schools can prepare for responding to such an incident through intentional, scheduled practices, much like what we do with Fire Drills. The goal of the practice is to minimize the risk for staff and students during a time of crisis. In the event of a "real" lockdown, the Hamilton Police Services will be responding to the situation. All staff, students and volunteers who are regularly in the school buildings are required to know the procedures. The students will have the Lockdown Procedures explained to them ahead of time and the school will practice this procedure twice per year.

The following terms and language will be used to ensure everyone is using the proper terminology.

***"HOLD AND SECURE" – Used when the school is secured due to an ongoing situation outside and not related to the school (e.g. bank robbery near a school)***

- The school continues to function normally, with the exterior doors locked until the situation is resolved
- Staff member posted at each entrance
- All movement in and out of the school is restricted
- Exterior facing windows should be covered or blinds drawn, lights dimmed, where possible
- School most likely to be notified by Hamilton Police Services

***"SHELTER IN PLACE" – Used for an environmental, or weather-related situation, where it is necessary to keep all occupants within the school to protect them (May be recommended by HES-Fire). Examples may include chemical spills, blackouts, explosions or extreme weather conditions***

- People enter and remain in a building with the doors and windows closed
- Fans including heating and air conditioning units, should be turned off to prevent air from outside entering the building
- Normal operations may continue within the building

***"LOCKDOWN" – Used when there is a major incident or threat of school violence within the school, or in relation to the school***

- Threat is inside the school, or is on school property, and poses an immediate threat to the students and staff
- Follow current lockdown procedures
- All movement in and out of the school and within the school is restricted
- Doors remain open to permit police immediate entry
- The "Safe Location" for our school is St. John Henry Newman Catholic Secondary School

The above terminology is used to ensure consistency across the province. Common language across the province allows for easy integration when staff, students and other emergency service personnel are transferred from one jurisdiction to another. Along with this information being presented at school, we encourage parents to talk with their children about the need to always be safe well prepared for an emergency situation.
