REPORT CARDS

Report cards have gone home. As our students have been learning, we continue to do our best with instruction and assessment. Your child's teacher continues to use information gathered from observations, conversations, and student products to share specific examples of what your child has done to demonstrate their strengths.

SCHOOL SAFETY

Parents, just a reminder that the front of the school building has **No**

Parking and **No Stopping** signs. Several students cross at the crosswalk, and we are having parents/guardians stopping their cars, making and creating an unsafe environment for our students. This is a safety concern for our students.

****Vehicular traffic in School Bus Loading Zones is prohibited. ****

Please take every possible opportunity to show appreciation and respect for the service that school bus drivers provide.

Thank you for keeping the safety of our students a priority.

SMOKE AND VAPE FREE SCHOOLS

Smoking cannabis or tobacco and vaping any substance is prohibited anywhere on school property and in public areas within twenty (20) metres of the perimeter of the school grounds. If you are caught smoking or vaping in school or on school property, you can be ticketed and fined. Fines start at \$305.00.
