LATES AND EARLY PICK-UP

The school office is extremely busy during morning entry and dismissal times. Several morning late arrivals, and early student pick-ups result in missed instructional time and classroom disruptions which ultimately affect academic success for our students.

Respectfully, we expect your child to arrive at school on time, by 8:45 a.m., at the back playground, and not picked up until the end of the school day, at 3:05 p.m., from the back playground.

We understand there may be an unexpected issue or a planned appointment from time to time, however, small interruptions can lead to big disruptions to instruction and learning for all students. Your cooperation is appreciated.

The Screenagers movie addresses issues that elementary school aged kids, parents, and educators are facing, i.e. smartwatches in class, unhooking from and monitoring video gaming, social media pressures, exposure too young, and what research shows is a healthy amount of screen time.

SCHOOL SAFETY

Parents, just a reminder that the front of the school building has **No Parking** and **No Stopping** signs. Several students cross at the crosswalk, and we are having parents & guardians stopping their cars, making and creating an unsafe environment for our students. This is a safety concern for our students. The **Accessible Parking** spaces are designated spaces. Do not use this space for drop-off or pick-up. Vehicular traffic in School Bus Loading Zones is prohibited. Please take every possible opportunity to show appreciation and respect for the service that school bus drivers provide. Thank you for keeping the safety of our students a priority.
