Re: **Safety Alert - Please stay away from the creek**

Dear Collegiate Elementary School families,

With the recent snowmelt, the ***water currents in the creek*** located between 15 and 17 Collegiate Avenue are moving very quickly.

For the safety of our students, please remind your children to stay well away from the creek banks and avoid playing in this area. The combination of slippery edges and fast-moving water creates a significant hazard.

Thank you for your cooperation in keeping our students safe.

Sincerely,

Collegiate Elementary School
