

## Cootes Paradise Elementary Electronic Newsletter List

Hello Parents and Guardians of Cootes Paradise students:

In an effort to reduce the amount of paper coming home in your child's backpack (not to mention the financial and environmental cost and labour that goes into photocopying 600+ times) Cootes Paradise Home & School is compiling the email addresses for all the families of the students.

In the emails from the school, you will receive:

1. Important information and news from the school and the Principal
2. Home & School and School Council information about upcoming events and initiatives
3. Information from the Hamilton-Wentworth School Board and the local community.

Not only will the information get to you faster, which is especially useful for time-sensitive materials, you may find it easier to keep track of things: no more shuffling through papers on the counter (or recycling bin) trying to find something.

Of course you are under no obligation to submit your email address and you will receive all the information via paper communications if you choose. Please be assured that your privacy will be maintained and your contact information will not be disclosed. All communication will be approved by the Principal's office before being sent to you.

Please fill in the form below and send it to your child(ren)'s teacher(s), or email me at [cootesparadiseneews@gmail.com](mailto:cootesparadiseneews@gmail.com). Please be sure to include all the information requested below.

**Even if you have submitted your email address in past years, it is important that you do so again. If you do not, we will assume you do not give us your consent to contact you electronically and you will be removed from the list.**

Thanks, and welcome to Cootes Paradise Elementary School!
