

Poinsettia Holiday Fundraiser

**Cootes Paradise
Home & School Association**

The Cootes Paradise Home & School Association will be selling poinsettias to raise funds for student enrichment activities and class trips. Please help us spread some holiday beauty by selling poinsettias to friends, families, neighbours, or anyone looking to add some beautiful colour to their home this holiday season.

The poinsettias are grown locally by Terra Greenhouses and will be delivered in time for holiday gifts or decorations for your own home.

Poinsettia orders must be completed and submitted with full payment by:
Friday, November 23

Payment must be paid in cash or cheque (made out to Cootes Paradise Home & School Association) and placed in an envelope attached to the order form.

Poinsettias will be delivered to the school for pick-up on:
Monday, December 10 between 3 to 6pm*

*You must be able to pick-up your order at this time. Unfortunately, we cannot accommodate pick-up at any other time.

Thank you for your participation in this fundraiser and for supporting the Home & School Association.

Should you have any questions, please contact Allison at allisonhenderson@hotmail.com
