Thursday September 19th, 2019

Dear Students and Parents of Gifted Class 8F:

We have to change the date of the first session for Gifted Enrichment class 8F from Thursday September 26th to Tuesday September 24th. This is the result of unforeseen adjustments to class sizes, as a result of students moving into and out of our various schools in the system. We apologize for any inconvenience this has caused.

The first session for the grade 8 Gifted Enrichment program takes place entirely outdoors. We will be walking from Dalewood School to the Cootes Paradise trails where, among other things, we'll do an interactive history lesson. See the website (<https://gifted.common.hwdsb.on.ca/>) for more details. Because this day takes place entirely outdoors, students should dress for the weather forecast. It's a rain or shine event, with the caveat that we have an extreme weather contingency plan. In the event the weather forecast calls for heavy rain, lightning, or high winds, we will reschedule this session to another date. That decision might have to be made on the morning of the trip.

Please be in touch if you have questions or concerns.

Gerry Schaefer, Zoe Branigan-Pipe, Jenn Deans
