September 29, 2020

Hello everyone, we have had an extremely successful start to the school year. Our school is up and running with all of the necessary safety protocols in place. Students are learning how to stay socially distanced and how to practice safe hygiene practices.

Here are a few updates...

Photo Day: Photo day is on pause right now as we find a way to have our pictures taken in a safe and hygienic way. We will let you know when we have a new date. All photo days are paused at this time.

Student Report Cards: Report cards from June 2020 have been handed out to students and have been filed in student OSRs (Ontario Student Record).

We welcome two new staff members to our school. Ms. Fargiorgio is supporting grade 6/7 while we wait for the return of Mrs. Radke. Jennifer Wilson will be our new Office Administrator until June. Ms. Wilson starts on October 6, 2020.

Thank you to Mr. DeFelice who has been ordering and organizing equipment for Physical Education and for DPA (Daily Physical Activity). Thank you to Mrs. Brown who has been purchasing art equipment for students so that they can continue to be artistic and safe without sharing materials. It is important that we purchase materials that are new and safe and enrich the programming we offer at Dalewood.
