For the week of November 2-6, 2020

Return to School Attestation:

If your child has been ill and is ready to return to school, the parent/guardian must complete the Return to School/Childcare Attestation form. This form can be completed on the Parent Portal under “Forms” as of Monday, November 2. You can also find it on our website under heading “If Your Child is Ill”.

Two new forms will be available to parents through the Parent Portal starting Monday, November 2, 2020. The new forms are Early Closure and Emergency Evacuation Information. Completion of these forms will help support the school and your child in the event of either situation. Please take a moment to complete these forms.

Thank you to our parents and guardians for limiting the number of drop offs eg. forgotten water bottles, clothing, equipment. If you have to drop something off please ring the doorbell. Someone from the office will come and get the item and deliver it to your child as soon as possible. This helps to keep our school safe.

Finally, here is a good image to help you support your child in keeping safe distancing from peers.
