

GRADUATION PHOTOS

Take the next step of your school journey in style.

- A white collared shirt with an optional necktie creates a classic look, but we recommend wearing whatever makes you feel great and reflects your unique style! We will provide gowns and props on photo day to complete your look.
- Your photographer will capture 4 photos, and a selection of over 200 backgrounds will be available to you once proofs arrive.
- Your proof should arrive approximately two weeks after your shoot.
