OPS Learn and Work Program

Are you interested in returning to school to obtain your high school diploma? Do you want a chance to gain valuable paid work experience? Are you ready to invest in your education and realize your potential?

The 2009/2010 OPS Learn and Work Program re-engages youth ages 16 -20 from priority communities to complete their high school diploma.

You will have the opportunity to earn secondary school credits while completing a specialized co-op placement in the Ontario Public Service (OPS) and its related agencies. The program provides you with an opportunity to apply what you have learned in the classroom to the workplace.

Specialized co-op work experiences pay minimum wage and are available in many areas including:

- Administrative and Support Services, Arts, Culture and Heritage, Customer and Client Services
- Communications and Marketing, Education and Training, Finance, Health and Social Services
- Human Resources, Information Technology, Justice and Law Enforcement, Legal Services, Travel and Tourism
- Maintenance, Science and Engineering

Reasons to Apply

Obtain your high school diploma

This specialized co-op program allows students to earn secondary school credits towards their Ontario Secondary School Diploma

Opportunity to work

Develop transferable, career-related skills in short-term specialized paid co-op placements in the Ontario government and its related agencies.

Achieve a brighter future

Investing in your education and training today will help shape a better and brighter future.

Eligibility Requirements

- Youth ages 16-20 who live in priority communities in Thunder Bay, Hamilton, Windsor, and Greater Toronto Area
(Greater Toronto Area includes - Crescent Town, Dorset Park, Eglinton East-Kennedy Park, Flemingdon Park-Victoria Village, Jamestown, Jane-Finch, Kingston-Galloway, Lawrence-Heights, Malvern, Scarborough Village, Steeles-L'Amoureux, Westminster-Branson, Weston-Mt. Dennis)
- Ontario resident
- Eligible to work in Canada

Skills and Qualifications

Students must be able to demonstrate the following skills and qualifications:

- Writing skills to help generate e-mails, letters and reports
- Verbal skills to support internal and external communications
- Problem-solving skills
- Ability to work in a team environment
- Ability to plan and organize multiple tasks
- Ability to manage time and scheduling
- Basic mathematical skills to process straightforward calculations
- Knowledge of computer software, specifically MS Office (i.e. Outlook, Word, Excel, PowerPoint)
- Some co-op positions require manual labour and the ability to lift up to 18 kilograms/40 pounds
- Some positions require bilingual skills (English and French)
- Ability to work 7.25 hours/day, Monday to Thursday (in-class on Fridays)
