February 2024

Beasley Neighbourhood Association - Free Pizza Slice, Feb. 9

The Beasley Neighbourhood Association is giving one slice of pizza to every student on February 9 to promote and celebrate Winterfest the following weekend.

Athletics

Spectators are welcome at both home and away games; however, all students must be accompanied by their adult caregiver(s) to be admitted into the building to watch the games. Food and drink are not permitted in the gym.

Snow

As the temperatures change and the forecast includes snow it is important for students to be aware that at school, snow stays on the ground. Throwing and kicking snow is dangerous and can result in serious injury. We ask that you please partner with us and reinforce this school rule.

Cold Weather

Time spent outdoors is an integral part of the school day. There are great benefits when children experience fresh air, exercise and spend time outside. Outdoor play is also a break from the structure of the classroom.

Depending on the season, preparing for outdoor play in Canada can mean anything from applying sunscreen to wearing mittens and a hat. During winter, it's important that children come to school prepared for the cold. Students should wear boots, water resistant mittens/gloves and hats. It's a good idea to pack extra mittens, socks, etc. in case they are needed.

Principals decide whether to send students outside for recess. HWDSB asks Principals to follow the City of Hamilton guideline that people stay inside when it's at or below -15C, or -20C with the wind chill.

Change of Clothes and Shoes

Please send students with a change of clothes and shoes that can be left at school for accidents, spills and puddles.
