Change of Clothes

It is very important for ALL students to have a change of clothes stored at school. Accidents, puddles, spills etc., can happen to all of us. It's important that your child is comfortable so that they can put forth their best effort.

Current Contact Information

If you have moved, or changed phone numbers please be sure to update the parent portal or let the office know. We must be able to reach you in case of emergency, accident/injury or illness. Please teach your child your phone number. This is an important safety skill.

Parking Lot

Our parking lot is very full each day with staff vehicles. Please, if you can, walk to school. Last year we had a couple of accidents and cars were damaged. **Please park along Wilson or Ferguson and avoid entering our parking lot.**

Mobile Phones

Students are discouraged from bringing their phones to school. If, for safety purposes, you feel it is important then please purchase a lock for your child's locker so that the phone is secure and out of sight. Students are not allowed to use their phone at school. Please do not call or text your child during school hours. Instead, please call the office. Students have access to a student phone in the office if they need to reach their family. If students have their phones out, staff will confiscate them until the end of the day.

Are you doing it for the “likes”?

But “likes” aren’t everything! Excessive use of social media can impact young people’s self esteem. Be mindful of the negative effects of too much time online.
