

SUPPORTING YOUR CHILD BUILDING COMMUNITY SHARING EXPERIENCES

HWDSB invite parents/guardians of transgender and gender non-conforming youth to participate in a facilitated open discussion with other parents/guardians to continue to support their child. The session, facilitated by Will Rowe, provides an opportunity to share successes, challenges and concerns relating to your child's gender identity, gender fluidity and transition with a welcoming group of parents/guardians.

We also invite parents/guardians to bring their child/youth to participate in a facilitated youth focused discussion that will be facilitated by HWDSB staff. This discussion group will occur at the same time as the parent/guardian session but will be in a separate room.
