

Dear Parent/Guardian/Caregivers

One of the most effective and rewarding ways that caregivers can get involved in their children's learning is by being active in their school council. You can have the opportunity to voice your opinions on school issues, on behalf of parents and community members in your school community.

Research shows that caregiver involvement is the most significant factor contributing to a child's success in school. Caregivers' active participation in school activities improves your student's achievement, increases school attendance and decreases student dropout. Students succeed when parents have a positive attitude about the importance of a good education.

Please join us on September 18th at 6:30 in the School Library for our first meeting and elections

- ☐ **Yes! I would like to join School Council as an elected member.** I understand that an elected position requires more involvement and responsibilities than a general member does. I understand that this role involves attending evening parent council meetings. Please fill out the form on the back of this paper and return it to Dundana School.
- ☐ **Yes! I would like to join School Council as a general member.** I am interested in having my voice and opinions heard about my child's school and education. All meetings are open to parents who wish to attend. Please join us for these meetings at any time during the year. All meeting dates will appear in the school's newsletter, and on the message board in front of the school.
- ☐ **No! I am not interested in joining school council.** However, I am interested in being notified of special events in which I can assist in volunteering. Please fill out the form on the back of this paper and return it to Dundana School.
- ☐ **No! I am not interested in joining school council.** I trust that the other parents will advocate for me on my behalf.

Please consider serving your Dundana School Community

Respectfully yours

K. Keery Bishop
Principal
