

## A New Way to Report Student Absences

We work to ensure that **all students arrive at school safely each day**.

To improve our safe arrival process, we are introducing a new system that will make it easier and more convenient for you to report – and respond to – your child's school absences.

**SafeArrival** allows families to report or schedule a future absence in one of three ways:

This will save time when a school needs to verify student attendance, and when notifying families of unexpected or unplanned absences.

**Watch for more details in the weeks ahead**. We will be confirming family email addresses, sharing details about SafeArrival and giving you plenty of notice before its launch.

We look forward to all families taking part.
