

## Celebrate Winter by Starting A Winter Walking School Bus!

A Walking School Bus is a supervised group of children walking on a common route to school. Can you help 'pick up' children in your neighbourhood some days?

A Walking School Bus can encourage more children to walk to school by providing fun, friends, and safety in numbers. An adult or responsible student start out walking, on a pre-decided route and schedule, and they 'pick up' children along the way. Here are three steps to starting one in your community:

1. Invite families who live nearby to walk
2. Choose a route to school and do a test walk
3. Decide how often the group will walk together and have fun!
