Student Mask Exemption Form

Student Mask Exemption

As the parent/guardian of this student or as an adult student (aged 18+), I request that my child or myself (if an adult student) be exempt to the requirement of wearing a mask while indoors in a school or on a bus, including in hallways and during classes. I understand that exemptions are possible for the reasons below (check at least one):

- underlying **medical, developmental, sensory or mental health reason** which inhibits my/my child's ability to wear a mask
- unable to remove the mask without assistance or has trouble breathing
- is being reasonably accommodated in accordance with the Human Rights Code
- is being accommodated in accordance with the Accessibility for Ontarians with Disabilities Act
