May 25, 2022

Dear Dundana Families:

Dundana is currently experiencing some presumed and diagnosed cases of Hand, Foot and Mouth Disease in members of our school community.

This is not a disease reportable to Hamilton Public Health Services. However, we would like to support families so that they are informed and can take appropriate measures.

Please find a fact sheet from Hamilton Public Health Services attached about this illness.

At the school, we are taking extra steps to reduce the risks of spreading the illness, including:

- Performing additional cleaning measures
- Reinforcing hand washing for all students and staff
- Adding slight modifications to our program delivery

If you have any questions, please feel free to contact me at kkeerybi@hwdsb.on.ca

Sincerely,

Kristi Keery Bishop
Principal
Dundana School
